

Camera::applyZoom

```
graph LR; A[Camera::applyZoom] --> B[Transformable::scale]; B --> B;
```

The diagram illustrates a sequence of operations. On the left, a gray rectangular box contains the text 'Camera::applyZoom'. A straight blue arrow points from the right side of this box to the left side of a white rectangular box on the right. This white box contains the text 'Transformable::scale'. Above the white box, a curved blue arrow starts from its top edge and points back to its top edge, indicating a self-loop or a recursive call.

Transformable::scale
